

St. John's is Looking for Altar Servers!

Are you currently in Grade 3 or above? Would you like to grow in holiness and have a more active role during Mass?

Consider assisting your parish of St. John the Evangelist in Hydes by signing up to become an altar server. Altar servers are scheduled for weekend Masses in teams of three. The scheduling is all done online. We schedule according to your availability, so you won't have to worry about scheduling conflicts. For busy students and parents, you are only required to serve two Masses a month.

We will hold a training and information session on **July 16, 2019 at 10:15 AM** in the church. We pair new and experienced servers until the new servers gain experience.

We invite those interested in attending to return this completed application to the parish office by **July 12th**. Questions? contact Martha Schumacher at 410-592-6206, ext. 100 or schumacherml@sjehydes.org.

We hope to see you at the training session!
