By registering my child(ren) in the Faith Formation Program, I understand that:

- My family must be registered at St. John the Evangelist parish.
- Completion of this form does not register my child for Sacramental Preparation (First Communion, Reconciliation or Confirmation). Registration forms for sacramental preparation will be sent under separate cover.
- As an integral part of our faith formation curriculum, we will be teaching Catechesis for Family Life. This age-appropriate program about Christian living, chastity, character formation, and safe environment training promotes communication between you and your child. You are encouraged to review the program materials that the teacher/catechist will be using in the classroom, as well as the materials you will receive for home discussion. After examining the program, if you have any questions or concerns about your child participating in these lessons, please contact Theresa Konitzer at St. John the Evangelist, 410/592-6206, Ext. 107.
- Completed registration forms will be processed in the order in which they are received.
- Children may attend only the class and session to which they have been assigned.
- Classes begin promptly at the designated time and attendance is required for the entire length of class in order to be credited with attendance.
- Children must be picked up inside the school at dismissal time. Children are not allowed to leave the school without an adult.\

St. John the Evangelist and the Archdiocese of Baltimore affirm our collective commitment to providing religious education, including Vacation Bible School, with the safety and wellbeing of all children as our primary focus.

Although proof of immunization is not required to participate in a religious education program, you should take notice that if your child is not immunized, he/she is considered at risk for the disease or diseases against which vaccination offers protection. Vaccine preventable diseases still exist, and especially can spread quickly in child group settings, such as a religious education program. If an outbreak of the disease against which a child has not been fully vaccinated occurs during a religious education program, the child's risk of contracting the disease increases significantly.

Participation in religious education, including Vacation Bible School, at the Parish is completely voluntary. By enrolling a child who has not been vaccinated in religious education at the Parish, parents and guardians recognize, appreciate, and assume the risks associated with lack of immunization. This voluntary enrollment similarly means that parents and guardians understand and agree that St. John the Evangelist and the Archdiocese of Baltimore are not responsible or liable for any disease contracted by a child who is not immunized while participating in an educational program at the Parish.
