& Healing*

Sunday, May 30, 2021

9:00 AM

The COVID-19 pandemic has affected all of us.

Join us for a special Mass to pray for the victims of COVID-19 and the front-line medical professionals who have worked tirelessly during the pandemic.

We invite you to come, fill out a card, and place the names of those who have died or are currently battling COVID-19 at the altar for remembrance and healing.

Special prayers and music will be offered during this Mass.

We will also celebrate those who have survived COVID-19 and honor the remarkable work of the front-line medical professionals who continue to battle this deadly virus.
